

BLACKSTONE

LEGAL ADVISORY

www.blackstonelegaladvisory.com

About Us

BLACKSTONE is a legal advisory firm with a niche in corporate and commercial law practice. At Blackstone, we adopt a hands-on approach to issues, and offer our clients advice that is both commercial and pragmatic.

Our lawyers are drawn from a mix of diverse backgrounds with first rate experience in financial services law, real estate law, commercial law and therefore, well positioned to respond effectively to the needs of our diverse clientele.

We have a deep understanding of the global financial market, gathered from our breadth of experience on cross-border transactions both as transaction lawyers and in a financial advisory capacity.

Capability Statement & Practice Areas

At Blackstone our unique positioning stems not only from the quality of services we offer, but also from the unique opportunities derived from our clients placing us at the cutting edge of market defining transactions. The quality and efficiency of our service delivery is founded on the principles underpinning our business practice. We combine a unique blend of commercial awareness, professional ethos, legal acumen and global reach in delivering premium services to our clients.

We have a structured approach in undertaking our mandate and our core competences are structured along the following practice areas:

Business
Advisory

Contractual
Negotiation &
Reviews

Estate Planning

Property &
Conveyancing

Dispute
Resolution

Services

Specialized Services

Contractual Negotiation & Reviews

Our professionals excel in managing the intricacies of contractual negotiations and reviews, ensuring the legality and integrity of your agreements. Our expert team handles Contract Drafting, Negotiations, Legal Reviews, and Agreement Structuring, among other services. With our meticulous approach, we safeguard your interests and promote sound contractual relationships.

Regulatory Compliance

We offer a range of tailored regulatory compliance services, including industry-specific compliance, data protection, employment and labour laws, financial regulations, government compliance, and health and safety compliance. We ensure your business meets the ever-changing regulatory requirements, allowing you to concentrate on your core objectives.

Company Secretarial

We oversee every aspect of a company's operations, from its formation to permitted business activities. Our services encompass Company Registrations, Annual Returns, Financial Statements, Board Resolutions, Confirmation Statements, and more. Our dedicated legal team ensures your company's seamless functionality and compliance.

Conveyancing & Property

We support our clients and companies looking to buy/sell properties by assisting with the Due Diligence before land or any asset is purchased; & providing legal advice regarding change and/or transfer of title over asset, & registration of title. We also provide legal advisory regarding asset management, Estate Management structuring facility for asset acquisition etc.

Estate Planning

At Blackstone Legal Partners, we offer a wide range of services, including will drafting, trust establishment, asset protection, etc. all designed to help clients achieve peace of mind and financial security. We stay up-to-date on latest regulations and tax laws to provide clients with the most effective and tax-efficient estate planning strategies. Our goal is to minimise estate taxes, avoid probate complications, and ensure your assets are distributed according to clients' wishes.

Immigration Services

We are your trusted partner for comprehensive immigration services. Our dedicated team guides you through the immigration process, offering expertise in Visa Applications, Immigration Consultations, Document Preparation, and Compliance. We are committed to simplifying immigration complexities and helping you achieve your immigration goals.
